

TECHNICAL DATA SHEET - AB-3

Liquid wax for varnished wooden floor

Abrillantador

COMERCIAL NAME: AB-3

USE: Liquid wax for varnished wooden floor

DESCRIPTION: The AB-3 concentrated liquid wax for varnished wooden floor is a special product made from natural waxes for the regular maintenance of wooden, parquet and cork floors. It is a highly concentrated product which must be diluted into water, offering an excellent coverage per liter.

COMPOSITION:

water and wax

APPLICATIONS:

Polishing of varnished wooden floors.
Recommended for periodic maintenance of wood surfaces, parquet and cork

HOW TO USE:

The surface must be clean and dry.
Use with machine: pour or spray the product over a surface of about 5 m², pure or diluted in water up to 1/5 parts depending on the condition of the surface. Buff with white fibre pad until drying and obtaining the required level of shine. Manual operation: dilute the product in water up to 1/8 parts and apply on the surface. Let it dry and then buff with a mop until getting a shiny finish.

HAZARD IDENTIFICATION

The tensoactives contained in this mixture comply with the biodegradability criteria stipulated in Regulation (EC) n°648/2004 on detergents. The information to prove this is available by direct request of a detergent manufacturer. Keep away from children. Do not ingest
Danger Indications: The product is not classified as hazardous within the meaning of Regulation (EU) No 1272/2008.

Precautionary statements: In normal use conditions and in its original form, the product itself does not involve any other risk for health and the environment. Wear protective gloves/protective clothing/eye protection/face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Keep out of the reach of children.
Do not ingest.
Keep only in original container.
