

TECHNICAL DATA SHEET - BRILOTER

Shining powder for terrazzo floors

DANGER

Abbrillantador

COMERCIAL NAME: BRILOTER

USE: Shining powder for terrazzo floors

DESCRIPTION: The BRILOTER - shining powder for terrazzo floors is a new shining powder specifically formulated for shining all kind of terrazzo surfaces. It offers a lasting and uniform finish, with the same intensity over both, the cement and the marble particles which make up the terrazzo.

COMPOSITION:

wax and salts

APPLICATIONS:

Polished terrazzo floors

HOW TO USE:

The surface has to be clean and dry. Do not dilute or mix with other products. Pour a little quantity of the product (approx. 20gr.x sq.mt.) Over an area of about 2 sq.m. And add a little of water. Buff with the polishing machine fitted with a white pad and spread the paste over all the area to be treated. Gloss will appear while the paste is dissolved by buffing. If the mixture is getting dry, add a little of water to dissolve the product again. If the mixture is too liquid, use the other side of disc and buff again the surface, drying the liquid excess. Once the surface is dry and shiny, vacuum it and rinse with clean water.

HAZARD IDENTIFICATION

The tensoactives contained in this mixture comply with the biodegradability criteria stipulated in Regulation (EC) nº648/2004 on detergents. The information to prove this is available by direct request of a detergent manufacturer. Keep away from children. Do not ingest

Danger Indications: Toxic if swallowed. Harmful in contact with skin.

Precautionary statements: Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. IF SWALLOWED: If accidentally ingested, seek immediate medical attention. Keep calm. NEVER induce vomiting. IF ON SKIN: Remove contaminated clothing. Wash skin vigorously with water and soap or a suitable skin cleaner. NEVER use solvents or thinners. IF IN EYES: If wearing contact lenses, remove them. Wash eyes with plenty of clean and cool water for at least 10 minutes while pulling eyelids up, and seek medical assistance. Call a POISON CENTER +34 91 562 04 20 or doctor/physician if you feel unwell.

Keep out of reach of children. Do not eat. Keep only in the original container. Restricted to professional uses.
