

# TECHNICAL DATA SHEET AB11

Protector - colour enhancer - natural matt finish

## Tradename

**AB11**

## Use

**Protector - colour enhancer - natural matt finish**

## PROPERTIES

Product for terracotta, rustic wood, flat and stamped concrete, marble, terrazzo, granite and rustic stone surfaces.

The application of ab-11 removes stains caused by oils, grease and other elements, recovering and intensifying the natural tone of the treated surface.

Especially effective for restoring stone surfaces discolored or bleached by the sunlight, bush hammered or aged.

Additionally, it provides an effective protection against inclement weather and prevents the subsequent appearance of salt or limescale efflorescences.

## FIELDS OF APPLICATION

colour enhancer for terracotta and rustic wood. Natural matt finish

## TECHNICAL DATA

Appearance	Liquid
Colour	White
pH	N.D.A
Mixing ratio	spread evenly over the surface
